Solidarity Fund Scam Alert

It has come to our attention that an 'entity' called the **International Covid Solidarity Fund** claiming to disburse money on behalf of government to citizens, is in actual fact an outfit running a phishing scam.

We wish to state that we have absolutely no relationship with this entity and its activities.

Unsuspecting citizens are asked to click through to a link to retrieve money – Please refrain from doing this as they will access your personal information that could leave you vulnerable and defrauded.

We ask that you remain vigilant and not share your confidential information, unless it is with a secure and reliable platform.
