Or, register on **Electronic Vaccination Data System (EVDS)**

1.

Make sure you have internet access.

2.

You will need a smartphone, a tablet or a computer.

3.

Connect to the internet
<https://vaccine.enroll.health.gov.za/#/>

4.

The welcome screen will tell you what to do next.

5.

Follow the instructions. Put in all the details the system asks for.

6.

When you are done the system will send an SMS to the phone number you provided. The SMS will let you know that you have been registered. You are now in the queue

When it is YOUR TURN to be vaccinated, the system will send you another SMS with a DATE and VENUE for your vaccination.

If you encounter problems with the registration process, call the COVID-19 hotline 0800 029 999

On your vaccination date you will need:

- Your ID and the second SMS received confirming your appointment.
- Arrive on the date specified on the second SMS.
- Please do not walk-in to a vaccination centre without confirmation of your appointment.
