**IMPACT
TO DATE**

SOLIDARITY FUND IMPACT IN NUMBERS

 **R436**
MILLION
Essential equipment allocated for 9 provinces. 90% orders delivered

 **1.23**
MILLION
COVID tests enabled

 **133**
Shelters and care centres provided with PPE and critical medical services to assist women and children affected by GBV

 **87%**
Claim to have altered their behaviour after being exposed to the second Behavioural Change and Communication Campaign

 **157 112**
Food parcels delivered in affected areas of KZN and GP through the DSD and the PHTL

 **1.2**
MILLION
Vaccines administered through J&J Sisonke and national surge sites

 **65+**
MILLION
Units of PPE procured and distributed in all 9 provinces

 **446**
THOUSAND
Estimated beneficiaries reached through the 332 CBOs and 11 NPOs funded for GBV intervention across all 9 provinces.

 **33,9**
MILLION
Adults reached through the Solidarity and behavioural campaign phase 1

 **39**
NGOs selected for the Civil Society Support grant funding

 **R45**
MILLION
To assist with the Seroprevalence study

 **20**
THOUSAND
Non-invasive ventilators manufactured which has activated local manufacturing capacity (10 860 distributed)

 **280**
THOUSAND
Households reached and provided with food parcels

 **R8**
MILLION
Allocated and disbursed to National Communications Partners for COVID and Vaccine messaging

 **7 532**
Approximate number of jobs saved through NEF and Afrika Tikkun business recovery initiatives

 **700+**
COVID beds opened in Gauteng, supported by 8 150 nurse shifts across Gauteng

 **R333**
MILLION
for vaccines – R283 million upfront payment to COVAX facility on behalf of SA government. R50 million towards vaccination of 500 000 frontline health care workers.

 **58**
THOUSAND
Household / subsistence farmers received farming input vouchers in rural areas in phase 1 & 2 (68,3% Women-headed households)

 **73.7m**
Reached through tv, radio and digital through vaccine demand creation campaign

 **19 410**
Employees received cash vouchers of R3000 to rebuild after July unrest

 **2+**
MILLION
Calls handled through the national COVID call centre

 **829**
SMME's receiving grants and loans to rebuild.

Confidential

Health response (detect & care)

AS AT 31 MAY 2022

PPE 

Allocated R884m 

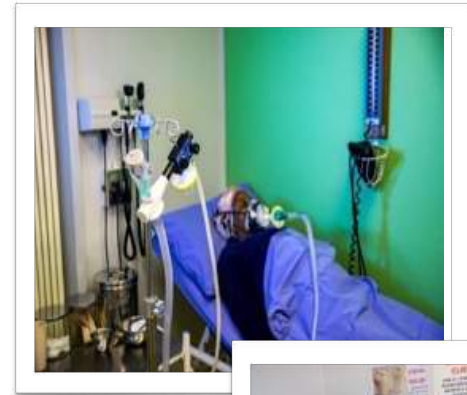

Disbursed ±R729m

- PPE procurement and distribution is completed
- Project closed

Impact & Reach

65m+ items of PPE procured and distributed

42 190 Community Care Workers provided with PPE through DGMT

Ventilators 

Allocated R285m 

Disbursed ±R236m

- Remaining ventilators and patient circuits have been delivered to the NDoH
- Donation letter signed by CEO and sent, with Annexure Documents, to NDoH

Impact & Reach

5 965 devices, **7 926** patient circuits, and **1600** humidifiers have been delivered to the NDoH

Logistics to move donated ventilators from CSIR and Save-P is complete

Final recon in progress

Health response (detect & care)

Testing and research

Allocated
R354m

Disbursed
±R315m

NHLS

- Project closed. The Fund support enabled NHLS to **complete more than 1,18 m tests** and **reduce test result turn around time from 8-10 days to 25 hours**

ICPA

- Project closed
- Supported the **testing of 18,994 uninsured healthcare workers**

HSRC

- Project closed
- Seroprevalence study provided **first national perspective on the burden of COVID-19 infection in the country**

SAMRC

- SAMRC surge testing closed
- Contracts for Wastewater Covid testing and Covid related research of two HDI extended to end March 2022
- **Supported 38,638 tests** (including repeats), by academic institutions laboratories
- Capacity for surveillance research strengthened in 3 HDIs

Impact & Reach

1.23 million COVID-19 tests enabled

84 healthcare testing sites established across the country:
(WC-12, KZN-15, GP-41 MP-5, LP-3, FS-2, EC-3, NW-3)

18 994 uninsured health care workers tested

1.2 million reagent and extraction kits purchased to increase NHLS testing capacity

25 hours – NHLS testing turn-around time, reduced from 8-10 days

Health response (detect & care)

AS AT 31 MAY 2022

Essential Equipment

Allocated
R436m

Disbursed
±R334m

Essential Equipment Procurement for HSS

- **90%** of all equipment orders have been delivered. **100%** orders processed

Western Cape

- **100% of R95m** expected orders processed and delivered

Gauteng

- **100% of total R97m** expected orders processed. **R87.3m** worth of orders have been delivered to date

Eastern Cape

- **100% of total R71.4m** expected orders processed. Orders to the value of **R70.3m** orders delivered to date

KwaZulu-Natal

- **100% of R59.2m** expected orders processed. **R53.9m** worth of orders delivered to date

Impact & Reach

55+ Ventilators

132+ ECG's

247+ Vital
Monitors

450+ Beds

10 Ultrasound
Machines

7+ X-Ray
Machines

6 TEG machines

2 ECMO
Machines

Note: Total approved and contracted amount have increased for these provinces after the additional lists were incorporated, leading to new progress percentages

Health response (detect & care)

Essential Equipment continued

Limpopo

- **100% of R19.2m** expected orders processed. **R8.5m** orders delivered to date, with expected last delivery date 30 June 2022

North-West

- **100% of R43.3m** expected orders processed. **R41.4m** in orders have been delivered to date

Mpumalanga

- **100% of R7,4m** expected orders processed. **R2,6m** of orders delivered to date with expected last delivery date 30 June 2022

Free State

- **100% of 15,7m** expected orders processed. **R10m** of orders delivered to date

Northern Cape

- **100% of R14m** expected orders processed. **R12.1m** worth of orders delivered to date

Modular Hospital to ECDoH for Cecilia Makiwane

- Hospital opened and was admitting COVID patients since September 2021. In Feb 2022, contract extended to 30 June 2022 to procure fire safety equipment. Equipment has been procured and delivered. Siemens managing installation.

Impact & Reach

55+ Ventilators

132+ ECG's

247+ Vital
Monitors

450+ Beds

10 Ultrasound
Machines

7+ X-Ray
Machines

6 TEG machines

2 ECMO
Machines

Health response (detect & care)

Vaccines

**Allocated
R704m**

**Disbursed
±R497m**

Sisonke

- The fund contributed **R50m** to support the JnJ MRC Sisonke Implementation Study to vaccinate 500 000 HCWs.
- **496 424** HCWs vaccinated through the study.

Covax down-payment

- R283.3m down payment in January 2021 with **2 574 000** doses received
- **5,6m** doses were donated by the US Government in July/Aug 2021

Transportation of 23G needles

- **R1.18m** was utilized to import **6m** 23G needles by air freight from China to SA

Transportation of donated US Pfizer doses through Covax

- **R8.5m** paid to COVAX for transportation of **5,6m donated Pfizer doses**

Surge/Outreach sites

- **320 sites** opened in all **9 provinces**.
- **1 284 375** vaccinations administered between Aug 2021 – 26 April 2022 by **21** clinical operators

DOH TA Capacitation

- **R69m** disbursed for technical assistance to the NDoH by DGMT (50% of a co-funded project)
- **198 out of 243** national, provincial and district candidates appointed. Project closing. Most TA capacitation contracts ended 31 March, except for 72 roles extended to 30 June at NDoH request.

Impact & Reach

J&J Sisonke managed to vaccinate **496 424** HCWs.

Surge/Outreach Sites have administered **over 1.2 million** vaccinations between Aug and April.

198 out of 243 (81%) national, provincial and district candidates appointed to provide TA to NDoH and Provinces

Health response (detect & care)

AS AT 31 MAY 2022

Healthcare Capacitation

**Allocated
R148m**

**Disbursed
±R76m**

Nursing Capacitation (GP)

- A total of **R23.4m** approved for GP Nurses Project to assist with Covid-19 3rd and 4th wave surges
- **8 000+** nurse shifts made available
- Project ended 31 March 2022. Final recon and reporting under way

Nursing Capacitation (EC)

- **R46.8m** allocated to fund nurses, district outreach teams, and costs for setting up outreach sites across **4 EC districts** - Alfred Nzo, Amathole, Joe Gqabi and OR Tambo
- **77% (311 out of 405)** of HR resources placed to assist with the 3rd/4th waves
- 39 Vehicles delivered to districts but are not being used due to fuel challenges. Fund working with ECDOH and WHC to address the issue

Charlotte Maxeke Hospital

- **R78m** approved for the refurbishment of Block 1 as part of the CMJH Phase 1 reopening
- **Phase 1** - Level 6, Block One A&E unit **opened 9 May by MoH**
- Phase 2 SOW and Bill of Quantities is under review. Contracted independent QS Godfrey Place to manage phase 2 which will be completed by March 2023.

Impact and Reach

GP Nursing Capacitation

8 000+ nursing shifts made possible across
8 major hospitals

700+ COVID Beds opened

EC Nursing Capacitation

311 nurses placed

Charlotte Maxeke

Phase 1 A&E unit opened 9 May

Humanitarian effort (support)

AS AT 31 MAY 2022

Farming Inputs

**Allocate
d R152m**

**Disbursed
±R137m**

- FIV (Phase 1 & 2) completed
- Phase 3 closing. All partner reports and invoices submitted. Close-out reports in progress.
- R57 753 in unspent grant funding returned to Fund

Impact and Reach

Phase 1 & 2

FIV (phase 1 & 2) had a redemption rate of **98,53%**

58 415 FIV vouchers registered

68.3% of vouchers were redeemed by women.

Phase 3

31 133 vouchers issued to value of **R62.6m**

Humanitarian effort (support)

Gender Based Violence

**Allocated
R105m**

**Disbursed
±R99m**

GBV – Phase 2

- All GBV II payments to CBOs is complete
- A total of **R64 607 491** has been paid to CBO and systemic partner organisations
- The project is closing, and CBOs are submitting final close out reports
- **291 (99%)** reports submitted by CBOs for project close out reporting

Impact & Reach

All grant payments for GBV2 have been completed.

A total of **R64 607 491** has been paid to CBO and systemic partner organisations

Behaviour change efforts – National COVID call centre

AS AT 31 MAY 2022

- National call centre project closed
- Almost **2m calls** handled
- **Over 33 000 interactions** by email, chat or WhatsApp (these channels were added later in the project)
- **Jobs created for 170 call centre agents** at 4 contact centres and **70 nurses and doctors** at 1 contact centre
- Made a significant contribution in supporting the delivery of **33,3 million vaccinations** across South Africa

Impact & Reach

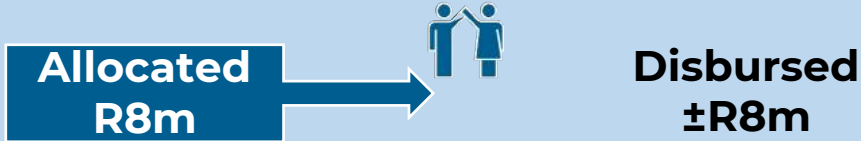

Almost **2m** calls handled

Over 33 000 interactions handled by email, chat and WhatsApp

Queries handled in **English, Zulu, Afrikaans, Xhosa** and **Sotho**

Behaviour change efforts – NCP

- Project is closed. Impact report available on SF website
- Partners achieved significant reach to share information and create demand for vaccinations. Some partner specific results:

CCF

- 22 articles published in the Sun newspaper, reaching over 2,4 million readers cumulatively
- Over **1 237 500** listeners reached through these 21 community radio stations
- **115 000** reached through mobilisation events

COVID Comms

- **61** Vaccine diaries created and posted to social media encouraging vaccination
- **98** workshops reaching approximately 15 000 participants addressing questions in COVID-19 and vaccinations

SACC

- Digital channels: **253 024** reached with 16 159 engagements
- Religious forum: engaged public through number of online and face to face channels. E.g., 148 000 flyers, 50+ radio interviews, 73 vaccine literacy trainings

Impact & Reach

CCF

1 237 500 listeners reached through these 21 community radio stations

Covid Comms

98 workshops on covid-19 and vaccines reached ±15000

SACC

Religious Forum held 50+ radio interviews and distributed 148 000 flyers to promote vaccine uptake

Behaviour change efforts – Demand creation campaign

AS AT 31 MAY 2022

**Allocated
R214m**

**Disbursed
±R213m**

Demand creation content delivered through:

- **231** digital boards
- **1 019** taxi TVs
- TV campaigns, Radio Campaigns and Social Media Campaigns and **1 400** pieces of content generated
- Overall impression reach (broadcast, print, online) – **183 300 054**
- **950** community mobilisers on the ground (Oct 21 – Jan 22)
- **670 000** community members engaged with in a month (on average monthly sliding scale)

Demand Creation Surge Sites extension

- Community mobilisers extended Surge Site support to 30 June 2022
- Currently over **470** community mobilisers at **78** sites assisted **2 576** citizens to get vaccinated
- The community mobilisation teams will be trained and deployed to further sites on Clinical Operator requests

Impact & Reach

Approximately **23.3m** people reached through TV campaign

Approximately **25.4m** people reached through radio campaign.

Approximately **25m** people reached through digital media.

<u>R607m</u>		<u>R600m</u>		

HCRF – Food relief response

AS AT 31 MAY 2022

**Allocated
R120m**

**Disbursed
±R116m**

- Two food relief projects have been completed by the HCRF.
 - Food parcels through the DSD in KZN and GP (HCRF001)
 - Food parcels through the PHTL in KZN (HCRF002)
- Register recon for the PHTL envelope is ongoing. A total of **18 285** (out of 21 000) registers from **178** (out of 196) traditional councils received
- A consolidated impact report is in drafting for publication on the website

Impact & Reach

DSD

A total of **135 662** parcels (KZN-81 376; GP-54 286) were delivered

This represents **99%** of the original target

It is estimated that approximately **678 310** individuals benefitted from these food parcels

PHTL

A total of **21 450** parcels were delivered across **196** traditional councils

HCRF – Business recovery & Medical support

AS AT 31 MAY 2022

**Allocated
R338m**

**Disbursed
±R338m**

NEF

- Approximately **240** applications under consideration to the value of over **R980m**
- **104** applications valued at **over R752m** approved.
Saving 4 278 jobs
- **73** SMMEs and cooperatives granted R16.2m,
saving 559 jobs

Medical Support through NEF

- **20** entities including ICPA pharmacies and other medical entities grants have been approved saving over **140 jobs**

Afrika Tikkun | FNB

- Project closed. Close out and impact reports being finalised.
- **R62m** disbursed to **756 SMME's** saving **2 544 jobs**
- Average grant amount per SMME is **R84 775**

Impact & Reach

ICPA pharmacies service
±5 000 people each

Approximately **45 000** people will have access to their medications

829 SMME's are being supported

An estimated **7 532** jobs saved to date

Approximately **26 250** dependents will benefit

HCRF – Civil society grant and cash voucher program

AS AT 31 MAY 2022

**Allocated
R149m**

**Disbursed
±R146m**

Civil Society Grants

- **R87 070 205** disbursed
- All grantees have been loaded onto Tshikululu's system
- **39** applications approved; **37** grants paid

Cash Voucher Program

- **19 410** beneficiaries issued cash vouchers to a value of R58.2m (**99%** of issuing target)

Impact & Reach

Cash Voucher Program

19 410 individuals have received their R3000 cash voucher

97% of vouchers redeemed to date

A close-up photograph of several hands of different ethnicities and ages stacked together in a circle, symbolizing teamwork, unity, and collaboration. The hands are positioned in a way that they overlap, with fingers pointing towards the center. The lighting is warm and soft, highlighting the textures of the skin and the diversity of the group. A white rectangular box is overlaid on the bottom right of the image, containing the text 'MORE INFORMATION' in a bold, black, sans-serif font.
