**IMPACT
TO DATE**

SOLIDARITY FUND IMPACT IN NUMBERS

 **R436**
MILLION
Essential equipment allocated for 9 provinces. 92% orders delivered

 **1.23**
MILLION
COVID tests enabled

 **446**
THOUSAND
Estimated beneficiaries reached through the 332 CBOs and 11 NPOs funded for GBV intervention across all 9 provinces.

 **33,9**
MILLION
Adults reached through the Solidarity and behavioural campaign phase 1

 **9 604**
Approximate number of jobs saved through NEF and Afrika Tikkun business recovery initiatives

 **1.3**
MILLION
Vaccines administered through J&J Sisonke and national surge sites

 **65+**
MILLION
Units of PPE procured and distributed in all 9 provinces

 **280**
THOUSAND
Households reached and provided with food parcels

 **73.7m**
Reached through tv, radio and digital through vaccine demand creation campaign

 **19 409**
Employees received cash vouchers of R3000 to rebuild after July unrest

 **495**
Beneficiaries (the majority children) received psychosocial support after the KZN floods

 **R45**
MILLION
To assist with the Seroprevalence study

 **20**
THOUSAND
Non-invasive ventilators manufactured which has activated local manufacturing capacity (10 860 distributed)

 **63**
THOUSAND
Household / subsistence farmers received farming input vouchers in rural areas (68% Women-headed households)

 **2+**
MILLION
Calls handled through the national COVID call centre

 **956**
SMMEs, cooperatives and medical entities received grants and loans to rebuild after the July unrest

 **700+**
COVID beds opened in Gauteng, supported by 8 150 nurse shifts across Gauteng

 **133**
Shelters and care centres provided with PPE and critical medical services to assist women and children affected by GBV

 **87%**
Claim to have altered their behaviour after being exposed to the second Behavioural Change and Communication Campaign

 **156 560**
Food parcels delivered in affected areas of KZN and GP through the DSD and the PHTL

 **16 328**
Warm meals provided to 4 833 people displaced by the KZN floods

Health response (detect & care)

AS AT 30 JUNE 2022

PPE

Allocated
R884m

Disbursed
±R729m

- PPE procurement and distribution is completed
- Project closed

Impact & Reach

65m+ items of PPE procured and distributed

42 190 Community Care Workers provided with PPE through DGMT

VENTILATORS

Allocated
R285m

Disbursed
±R236m

- Remaining ventilators and patient circuits have been delivered to the NDoH
- Donation letter signed by CEO and sent, with Annexure Documents, to NDoH

Impact & Reach

5 965 devices, **7 926** patient circuits, and **1600** humidifiers have been delivered to the NDoH

Logistics to move donated ventilators from CSIR and Save-P is complete

Final recon in progress

Health response (detect & care)

TESTING AND RESEARCH

Allocated
R354m

Disbursed
±R315m

NHLS

- Project closed. The Fund support enabled NHLS to **complete more than 1,18 m tests** and **reduce test result turn around time from 8-10 days to 25 hours**

ICPA

- Project closed
- Supported the **testing of 18,994 uninsured healthcare workers**

HSRC

- Project closed
- Seroprevalence study provided **first national perspective on the burden of COVID-19 infection in the country**

SAMRC

- SAMRC surge testing closed
- Contracts for Wastewater Covid testing and Covid related research of two HDI extended to end March 2022
- **Supported 38,638 tests** (including repeats), by academic institutions laboratories
- Capacity for surveillance research strengthened in 3 HDIs

Impact & Reach

1.23 million COVID-19 tests enabled

84 healthcare testing sites established nationwide:
(WC-12, KZN-15, GP-41 MP-5, LP-3, FS-2, EC-3, NW-3)

18 994 uninsured health care workers tested

1.2 million reagent and extraction kits purchased to increase NHLS testing capacity

25 hours – NHLS testing turn-around time, reduced from 8-10 days

Health response (detect & care)

AS AT 30 JUNE 2022

ESSENTIAL EQUIPMENT

**Allocated
R422m**

**Disbursed
±R337m**

Essential Equipment Procurement for HSS

- **92%** of all equipment orders have been delivered, with **100%** orders processed

Western Cape

- **100% of R95m** orders processed and delivered

Gauteng

- **95% (R92m) of total R97m** orders have been delivered to date

Eastern Cape

- **99% (R70.8m) of total R71.4m** orders delivered to date

KwaZulu-Natal

- **91% (R53.9m) of R59.2m** orders delivered to date

Impact & Reach

55+ Ventilators

132+ ECG's

247+ Vital Monitors

450+ Beds

10 Ultrasound
Machines

7+ X-Ray Machines

6 TEG machines

2 ECMO Machines

Health response (detect & care)

AS AT 30 JUNE 2022

ESSENTIAL EQUIPMENT CONTINUED

Limpopo

- **44% (R8.6m) of R19.2m** orders delivered to date. X-ray machines were ordered in place of the dental equipment that was disapproved. Installation to be complete by 31 July 2022.

North-West

- **96% (R41.4m) of R43.3m** orders delivered to date

Mpumalanga

- **36% (R2.6m) of R7.4m** orders delivered to date. The balance of the orders are beds which require a long lead time. Delivery is expected by 31 July 2022.

Free State

- **64% (R10m) of R15.7m** orders delivered to date

Northern Cape

- **88% (R11.2m) of R14m** orders delivered to date

Impact & Reach

55+ Ventilators

132+ ECG's

247+ Vital
Monitors

450+ Beds

10 Ultrasound
Machines

7+ X-Ray Machines

6 TEG machines

2 ECMO Machines

Health response (detect & care)

AS AT 30 JUNE 2022

VACCINATION PROGRAMMES

**Allocated
R750m**

**Disbursed
±R546m**

Sisonke

- The fund contributed **R50m** to support the JnJ MRC Sisonke Implementation Study to vaccinate 500 000 HCWs.
- **496 424** HCWs vaccinated through the study.

Covax down-payment

- R283.3m down payment in January 2021 with **2 574 000** doses received
- **5,6m** doses were donated by the US Government in July/Aug 2021

Transportation of 23G needles

- **R1.18m** was utilized to import **6m** 23G needles by air freight from China to SA

Transportation of donated US Pfizer doses through Covax

- **R8.5m** paid to COVAX for transportation of **5,6m donated Pfizer doses**

Impact & Reach

J&J Sisonke managed to vaccinate **496 424** HCWs.

Surge/Outreach Sites have administered **over 1.2 million** vaccinations between Aug and April.

198 out of 243 (81%) national, provincial and district candidates appointed to provide TA to NDoH and Provinces

Health response (detect & care)

VACCINATION PROGRAMMES CONTINUED

Surge/Outreach sites

- **320 sites** opened in all **9 provinces**.
- **1 392 051** vaccinations administered between Aug 2021 – 30 June 2022 by **20** clinical operators

DOH TA Capacitation

- **R69m** disbursed for technical assistance to the NDoH by DGMT (50% of a co-funded project)
- **198 out of 243** national, provincial and district candidates appointed. Project closing, with final reporting expected end July.

Nursing Capacitation (EC)

- **R46.8m** allocated to fund nurses, district outreach teams, and costs for setting up outreach sites across **4 EC districts** - Alfred Nzo, Amathole, Joe Gqabi and OR Tambo
- **311** medical HR resources placed to assist with the 3rd/4th waves
- Project closed 31 May and project close out reconciliations and reporting is in process

Impact & Reach

J&J Sisonke vaccinated
496 424 HCWs.

Surge/Outreach Sites administered **almost 1.4 million** vaccinations since Aug 21

81% national, provincial, and district candidates appointed to provide TA to NDoH and Provinces

311 medical HR resources supported in EC

Health response (detect & care)

AS AT 30 JUNE 2022

HEALTHCARE CAPACITATION

**Allocated
R115m**

**Disbursed
±R113m**

Nursing Capacitation (GP)

- A total of **R23.4m** approved for GP Nurses Project to assist with Covid-19 3rd and 4th wave surges. Project ended 31 March 2022. Final recon and reporting under way.
- **8 000+** nurse shifts made available

Charlotte Maxeke Hospital

- **R78m** approved for the refurbishment of Block 1 as part of the CMJH Phase 1 reopening
- **Phase 1** - Level 6, Block One A&E unit **opened 9 May by MoH**
- Phase 2 grant and donations agreements completed. Contracting is currently taking place. SPIRE will manage phase 2 which will be completed by March 2023.

Modular Hospital to ECDoH for Cecilia Makiwane

- Hospital opened and was admitting COVID patients since September 2021. In Feb 2022, contract extended to 30 June 2022 to procure fire safety equipment. Equipment has been procured and delivered with Siemens managing installation. To date the sprinkler installation is complete and pressure tested, and ceilings and associated services re-installed.

Impact and Reach

8 000+ nursing shifts made possible across **8 major hospitals**

700+ COVID Beds opened

Charlotte Maxeke
Phase 1 A&E unit opened 9 May

Cecilia Makiwane
Modular hospital
extension fire safety system installation in progress

Humanitarian support

AS AT 30 JUNE 2022

FARMING INPUT VOUCHERS

**Allocated
R372m**

**Disbursed
±R332m**

- FIV (Phase 1 & 2) completed
- Phase 3 closed. All partner reports and invoices submitted. Close-out reports in progress.
- R57 753 in unspent grant funding returned to Fund

Impact and Reach

FIV 1, 2 & 3

R130.7m worth of vouchers redeemed

R89.8m (69%) worth of vouchers redeemed by **women**

±63 090 households reached

86% redemption rate

Humanitarian effort (support)

GENDER-BASED VIOLENCE (GBV) PROGRAMME

**Allocated
R105m**

**Disbursed
±R99m**

GBV – Phase 1

- R19.7m disbursed to support GBV efforts
- Project closed

GBV – Phase 2

- All GBV II payments to CBOs complete
- A total of **R64 607 491** has been paid to CBO and systemic partner organisations
- The project is closing, and CBOs are submitting final close out reports
- **287 (98%)** satisfactory reports submitted by CBOs for project close out reporting
- A consolidated interim report is in drafting

Impact & Reach

GBV 1

133 GBV shelters and care centres provided with **PPE and critical medical services**

30 777 units of **PPE** distributed to GBV support centres

GBV 2

R64 607 491 paid to CBO and systemic partner organisations to support community and national GBV efforts

Behaviour change

AS AT 30 JUNE 2022

NATIONAL COVID CALL CENTRE

**Allocated
R95m**

**Disbursed
±R88m**

- National call centre project extended to 31 July
- Over 100 000 calls handled by the centre for the month of June

Impact & Reach Phase 1

Almost **2m** calls handled

Over 33 000 interactions handled by email, chat and WhatsApp

Queries handled in **English, Zulu, Afrikaans, Xhosa** and **Sotho**

240 Jobs created at contact centres

Behaviour change

AS AT 30 JUNE 2022

NATIONAL COMMUNICATION PARTNERSHIP

**Allocated
R8m**

**Disbursed
±R8m**

- Project is closing. Interim impact report available on SF website.

CCF

- Project Implementation activities were concluded on the 30th June
- Project closeout and final impact report to be submitted by the 31st July

COVID Comms

- Covid Comms weekly activities included the continuation of their community workshops and content development for social media as part of final project activities
- Closeout and final impact report to be submitted by 31 July

SACC

- Project implementation activities to be concluded by 9 July 2022
- Project closeout and final impact report to be submitted by 31 July

Impact & Reach

CCF

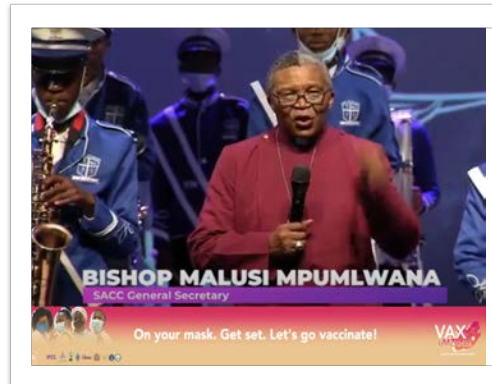

1 237 500 listeners reached through these 21 community radio stations

Covid Comms

98 workshops on covid-19 and vaccines reached ±15000

SACC

Religious Forum held 50+ radio interviews and distributed 148 000 flyers to promote vaccine uptake

Behaviour change

AS AT 30 JUNE 2022

DEMAND CREATION CAMPAIGN

**Allocated
R214m**

**Disbursed
±R213m**

Demand creation content delivered through:

- **231** digital boards
- **1 019** taxi TVs
- TV campaigns, Radio Campaigns and Social Media Campaigns and **1 400** pieces of content generated
- Overall impression reach (broadcast, print, online) – **183 300 054**
- **950** community mobilisers on the ground (Oct 21 – Jan 22)
- **670 000** community members engaged with in a month (on average monthly sliding scale)

Demand Creation Surge Sites extension

- Surge site community mobilisers support extended to 30 June 2022
- Currently over **470** community mobilisers at **78** sites assisted **30 552** citizens to get vaccinated

Impact & Reach

Approximately **23.3m** people reached through TV campaign

Approximately **25.4m** people reached through radio campaign.

Approximately **25m** people reached through digital media.

600k+ clicks to vaccination site

R5.21m

To procure and distribute food parcels to those affected by the KZN floods.

R31m

R31m

KZN FLOOD RESPONSE

**Allocated
R31m**

**Disbursed
±R31m**

Three areas of focus identified - **food, shelter (incl. water and sanitation), and trauma/grief counselling**

Food Forward SA

- Provided 167 328 warm cooked meals to date to 4 833 displaced people in 30 community halls.
- Spent ~R 1,3m of the total grant of R5m towards the flood response.

WeFeedSA

- Completed assessments on boreholes, schools and homes. Still negotiating prices for boreholes and obtaining quotes from various renovation contractors for schools and homes repairs.
- Spent ~ R20 000 in project costs relating to pre-execution activities and 1st borehole drilling to commence on 05/07

Heal Our Land

- Delivered 3000 bulk hygiene to 23 community halls to date
- Spent R224 499.22 of grant allocation of R4.25m to date

Impact and Reach

167 328 meals provided to **4 833** displaced people

3000 bulk hygiene delivered to **23** community halls

KZN FLOOD RESPONSE

**Allocated
R31m**

**Disbursed
±R31m**

Impact and Reach

**495 beneficiaries
(mainly children)**
received
psychosocial
support

KZNCC

- In the process of completing pre-implementation activities namely; securing site co-ordinators, procurement, engagements with land-owners and the municipality to aid distribution and installation.
- Provided psycho-social sessions to 495 beneficiaries, a majority of which are children between the ages of 4 to 14 years.
